Independent Auditor's Report

To the Partners
Diamond Square Limited Partnership
10400 Detrick Avenue
Kensington, MD 20895

Opinion

We have audited the accompanying financial statements of Diamond Square Limited Partnership which comprise the balance sheets as of June 30, 2022 and 2021, and the related statements of operations, changes in partners' capital, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Diamond Square Limited Partnership as of June 30, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Square Limited Partnership and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Square Limited Partnership's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a

material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Square Limited Partnership's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Square Limited Partnership's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information shown on pages 15 to 29 is presented for the purposes of additional analysis and is not a required part of the financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information on pages 15 to 29 is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated September 29, 2022 on our consideration of Diamond Square Limited Partnership's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Diamond Square Limited Partnership's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Diamond Square Limited Partnership's internal control over financial reporting and compliance.

See independent auditor's report and notes to financial statements.

Diamond Square Limited Partnership

Notes to Financial Statements
For the Years Ended June 30, 2022 and 2021

1) Nature of Business and Summary of Significant Accounting Policies

Nature of Business

Diamond Square Limited Partnership (a Maryland limited partnership) (the Partnership) was formed under the laws of the State of Maryland on June 9, 2003, for the purpose of acquiring 124 apartment units to provide rental housing of which 40 are for low and moderate income families. The Partnership acquired the net assets of Diamond Square Apartments, a component unit of the Housing Opportunities Commission of Montgomery County, Maryland (HOC).

Method of Accounting

The Partnership's financial statements are prepared on the accrual method of accounting which recognizes income when it is earned and expenses when they are incurred.

Cash and Cash Equivalents

The Partnership considers all highly liquid investments with a maturity of three months or less when purchased, consisting of investments in money market funds, to be cash equivalents.

Rents Receivable and Bad Debts

Accounts receivable are reported at their outstanding balances, reduced by an allowance for doubtful accounts.

Management periodically evaluates the need for an allowance for doubtful accounts by considering the Partnership's past receivables loss experience, known and inherent risks in the accounts receivable population, adverse situations that may affect a debtor's ability to pay, and current economic conditions.

The allowance for doubtful accounts is increased by charges to bad debt expense and decreased by charge offs of the accounts receivable balances. Accounts receivable are considered past due after the tenth of the month in which they were due. Accounts receivable are considered uncollectible if they are outstanding over 90 days. The allowances as of June 30, 2022 and 2021 were \$78,391 and \$32,203, respectively.

Property and Equipment

Land, buildings and improvements are recorded at cost. The cost of repairs and maintenance is charged to operations as incurred. Major renewals, betterments and additions are capitalized. Buildings and improvements are depreciated over their estimated useful lives of 10 to 40 years using the straight-line method.

Impairment of Long-Lived Assets

The Partnership reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. If the fair value is less than the carrying amount of the asset, an impairment loss is recognized for the difference. There were no asset impairments during the years ended June 30, 2022 and 2021.

See independent auditor's report.

Diamond Square Limited Partnership

Notes to Financial Statements (Continued)
For the Years Ended June 30, 2022 and 2021

1) Nature of Business and Summary of Significant Accounting Policies (Continued)

Interest

The Partnership has adopted the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Section 835, *Interest*, which states that debt issuance costs related to a note shall be reported on the balance sheet as a direct deduction from the face amount of that note, and any amortization of debt issuance costs shall be reported as interest expense. Accordingly, the Partnership is reporting loan fees related to its first mortgage payable as a direct deduction from the principal balance of the mortgage, and is reporting amortization of the loan fees as interest expense on the first mortgage payable. See Note 6 for more information.

Income Taxes

The Partnership files a partnership tax return and the net income or loss is reported by the partners on their respective income tax returns.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Rental Revenue

Rental income is recognized as rents become due. Rent payments received in advance are deferred until earned. All leases between the Project and tenants of the property are operating leases.

Rental Subsidies

Certain tenants of the Partnership receive rental subsidies from the County and State as a result of the Partnership making units available for low-income tenants.

Advertising

The Partnership's policy is to expense advertising costs when incurred which totaled \$5,486 and \$4,094, respectively, for the years ended June 30, 2022 and 2021.

Reclassifications

Reclassifications have been made to the prior period balances to conform to current year presentation.

2) Cash - Tenant Security Deposits

The amounts of \$65,197 and \$65,192 as of June 30, 2022 and 2021, respectively, on the accompanying balance sheets, represent funds deposited in a savings account with a balance that should be at least equal to the tenants' security deposits. Maryland Rent Escrow Law requires the Partnership to maintain a separate account for deposits paid by the tenants, and to credit the deposits annually with interest of 1.5% or the 1-year US Treasury yield curve rate a year, at six-month intervals. Tenant security deposits are held in a federally insured bank.

See independent auditor's report.

Diamond Square Limited Partnership

Notes to Financial Statements (Continued)
For the Years Ended June 30, 2022 and 2021

3) Concentration of Risk

The Partnership maintains its cash balances in several accounts in various banks. The cash balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 at each bank. Additionally, the Partnership is included with the Housing Opportunities Commission of Montgomery County, Maryland (the "Commission") as part of the agency funds and was entirely insured or collateralized with securities held by the Commission's agent in the Commission's name.

4) Property and Equipment

Property and equipment detail for the years ended June 30 was as follows:

	<u>2022</u>	<u>2021</u>
Land	\$ 1,612,000	\$ 1,612,000
Land improvements	4,990	4,990
Buildings	7,188,521	7,188,521
Equipment	<u>234,407</u>	<u>234,407</u>
Total property and equipment	9,039,918	9,039,918
Less: accumulated depreciation	<u>6,143,150</u>	<u>5,940,953</u>
Property and equipment, net	<u>\$ 2,896,768</u>	<u>\$ 3,098,965</u>

5) Negative Arbitrage

HOC issued bonds to provide the financing for the Partnership's rehabilitation. Because HOC earned less in interest revenue from the Partnership's loan during the construction than it paid to the HOC bondholders, negative arbitrage occurred. Negative arbitrage occurs when investments acquired with the bond proceeds earn less interest than is due to the bondholders.

During the year ended June 30, 2003, the Partnership paid \$14,022 to HOC as charge for the incurred negative arbitrage, representing the difference between the interest HOC earns on its loan to the Partnership and the interest HOC pays to the bondholders over the life of the loan. The balance of the negative arbitrage is not being amortized and is included in the accompanying balance sheets under deferred charges.

See independent auditor's report.

Diamond Square Limited Partnership

Notes to Financial Statements (Continued)
For the Years Ended June 30, 2022 and 2021

6) Long-Term Debt

Mortgage Payable

The Partnership is obligated to repay a mortgage to HOC. On June 20, 2003, the Partnership assumed the HUD regulatory agreement from HOC in conjunction with execution of a mortgage loan from HOC for \$1,810,000. The note is secured by a promissory note, deed of trust, security and assignment of rent agreements, and substantially all assets. Financing fees related to the mortgage were \$78,823 and are being amortized to interest expense on a straight-line basis, the results of which are not materially different than that of the effective interest method, over the term of the loan. The loan provides for interest at a nominal rate of 4.65% per annum and an effective rate of 4.89% per annum, to accrue until maturity, with the final balance of principal and accrued interest due July 1, 2033. The outstanding principal and accrued interest balances as of June 30, 2022 and 2021 are \$968,535 and \$3,753, respectively, for 2022 and \$1,033,838 and \$4,006, respectively, for 2021. Unamortized financing fees as of June 30, 2022 and 2021 were \$28,787 and \$31,424, respectively. For the years ended June 30, 2022 and 2021, interest incurred on the mortgage was \$49,077 and \$52,050, respectively, including amortized financing fees of \$2,637 for each of the years.

Maturities of the mortgage payable are as follows:

2023	\$	68,405
2024		71,655
2025		75,059
2026		78,624
2027		82,359
2028-2032		474,334
2033-2034		118,099
Total	\$	<u>968,535</u>

DHCD Mortgage Payable

The Partnership is obligated under the terms of a second mortgage payable with the Maryland Department of Housing and Community Development (DHCD) in the original amount of \$2,000,000, dated June 1991, which is non-interest bearing and is due upon the sale of the property. There were no financing fees incurred related to this mortgage. As of June 30, 2022 and 2021 the principal balance was \$2,000,000.

Note Payable

On June 20, 2003, the Partnership assumed a note payable, deed of trust security agreement, and regulatory agreement with Montgomery County, Maryland. The original amount of the note is \$2,746,344, is non-interest bearing and is due upon the sale of the property. There were no financing fees incurred related to this note. As of June 30, 2022 and 2021 the principal balance was \$2,746,344.

See independent auditor's report.

Diamond Square Limited Partnership

Notes to Financial Statements (Continued)
For the Years Ended June 30, 2022 and 2021

6) Long-Term Debt (Continued)

PPP Loan Payable

During the year ended June 30, 2020, Residential One LLC (Residential One), the management company, received a Payroll Protection Program (PPP) loan from the Small Business Administration (SBA). Residential One subsequently loaned \$20,331 of the proceeds from their PPP loan to the Partnership to pay two months of salaries and benefits for personnel employed by the management company but working for the Partnership. There were no financing fees incurred related to this loan. The loan was non-interest bearing and due on demand. During the year ended June 30, 2021, the SBA forgave the PPP loan and Residential One forgave the loan to the Partnership.

7) Related Party Transactions

Asset Management Fee

The Partnership was charged an asset management fee of \$26,030 and \$25,270, respectively, for the years ended June 30, 2022 and 2021, by HOC.

Interfund Receivable and Payable

The Partnership has numerous transactions with HOC to finance operations and provide services. To the extent that funds to finance certain transactions of the Partnership have not been paid or collected as of year-end, interfund receivables and payables are recorded. The balance of the interfund receivable as of June 30, 2022 was \$9,953. The balance of the interfund payable as of June 30, 2021 was \$1,560.

8) Real Estate Taxes

The Partnership has entered into a Payment In Lieu Of Taxes (PILOT) agreement for the 124 units whereby Montgomery County real estate tax and special area taxes are abated.

9) Property Management Fee

Effective July 1, 2019, the Partnership is obligated under the terms of a Property Management Agreement with Residential One for the management of the rental property. Under the terms of the agreement, the Partnership was required to pay monthly management fees equal to \$37 per occupied unit as of the last day of the month, through June 30, 2021 and \$41 per occupied unit as of the last day of the month beginning July 1, 2021. In addition, HOC reserves the right to pay Residential One an annual fee. Payment of the annual fee is in HOC's sole discretion and there is no guarantee that Residential One will receive the annual fee in any given year. The annual fee will be based on target occupancy levels and rent actually received. During the years ended June 30, 2022 and 2021, management fees of \$59,361 and \$51,150, respectively, were incurred.

10) Subsequent Events

Management has evaluated events and transactions for potential recognition or disclosure through the independent auditor's report date, the date the financial statements were available to be issued. There were no events that required recognition or disclosure in the financial statements.

See independent auditor's report.

**Independent Auditor’s Report on Internal Control Over Financial
Reporting and on Compliance and Other Matters Based on an Audit
of Financial Statements Performed in Accordance with
*Government Auditing Standards***

To the Partners
Diamond Square Limited Partnership
10400 Detrick Avenue
Kensington, MD 20895

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Diamond Square Limited Partnership, CDA Project Number 26.16.0003, which comprise the balance sheet as of June 30, 2022, and the related statements of operations, changes in partners’ capital, and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated September 29, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Diamond Square Limited Partnership’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Diamond Square Limited Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of Diamond Square Limited Partnership's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Diamond Square Limited Partnership
Independent Auditor's Report
on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*
Page Two

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Diamond Square Limited Partnership's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
